

Safety Experience

Remember the safety pin when disarming slides

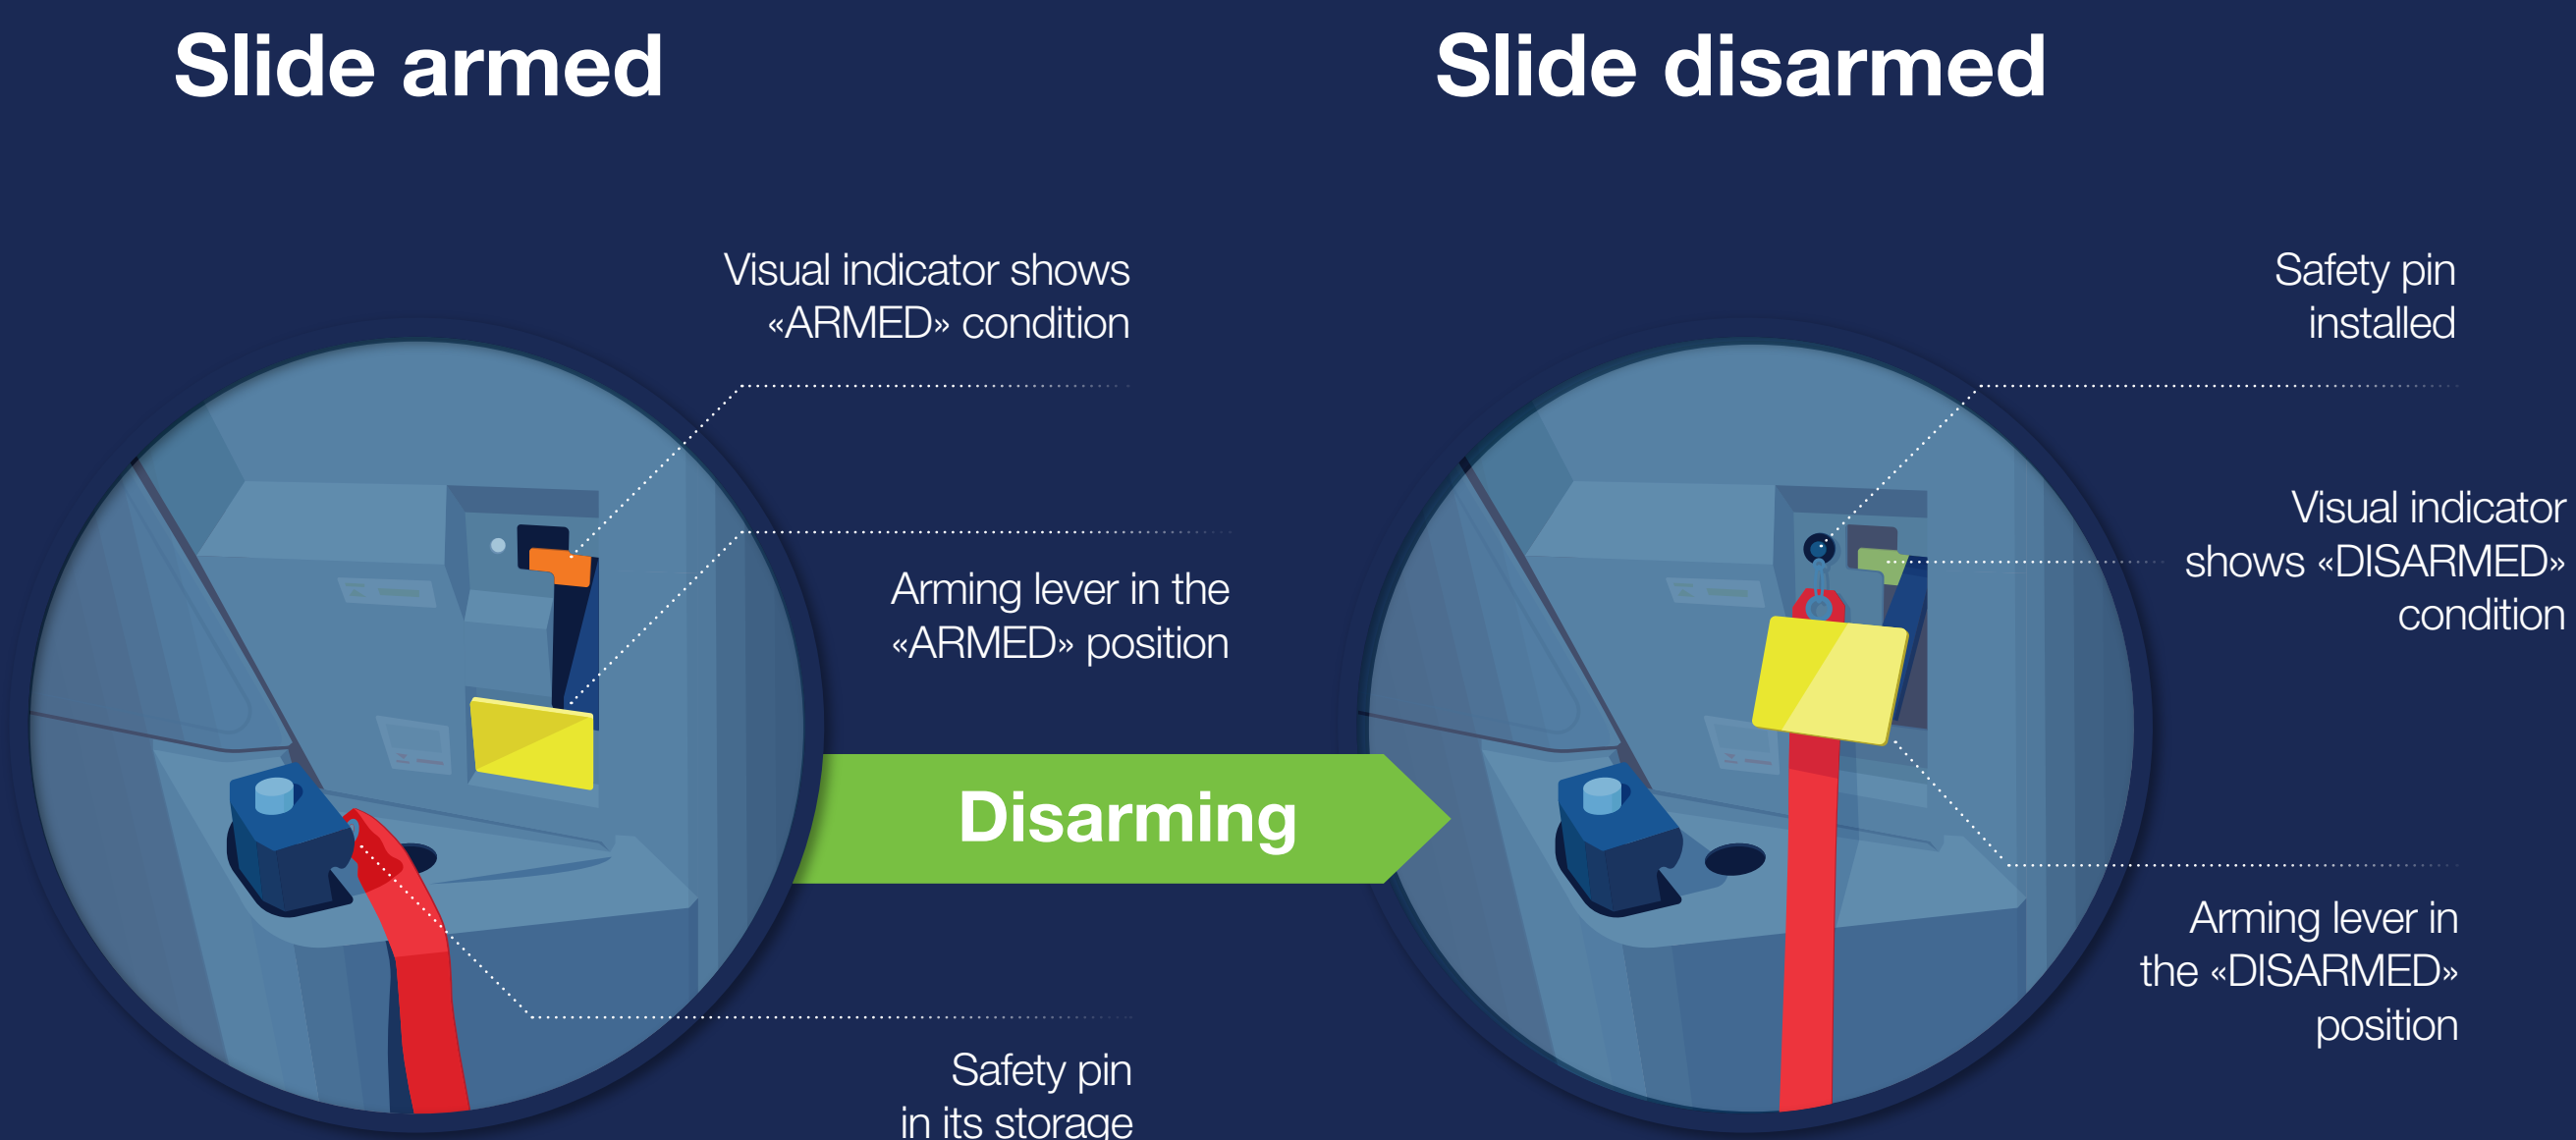

Figure: ARMED/DISARMED conditions for A320 Family cabin door

Use the PIN-LEVER-PIN model when disarming slides

- Remove the safety **PIN** from its stowage.
- Place the arming **LEVER** in the disarmed position
- Install the safety **PIN** into the dedicated hole near the arming lever.

The safety pin prevents an inadvertent slide arming.
