Safety Experience

Remember the safety pin when disarming slides

Slide armed

Slide disarmed

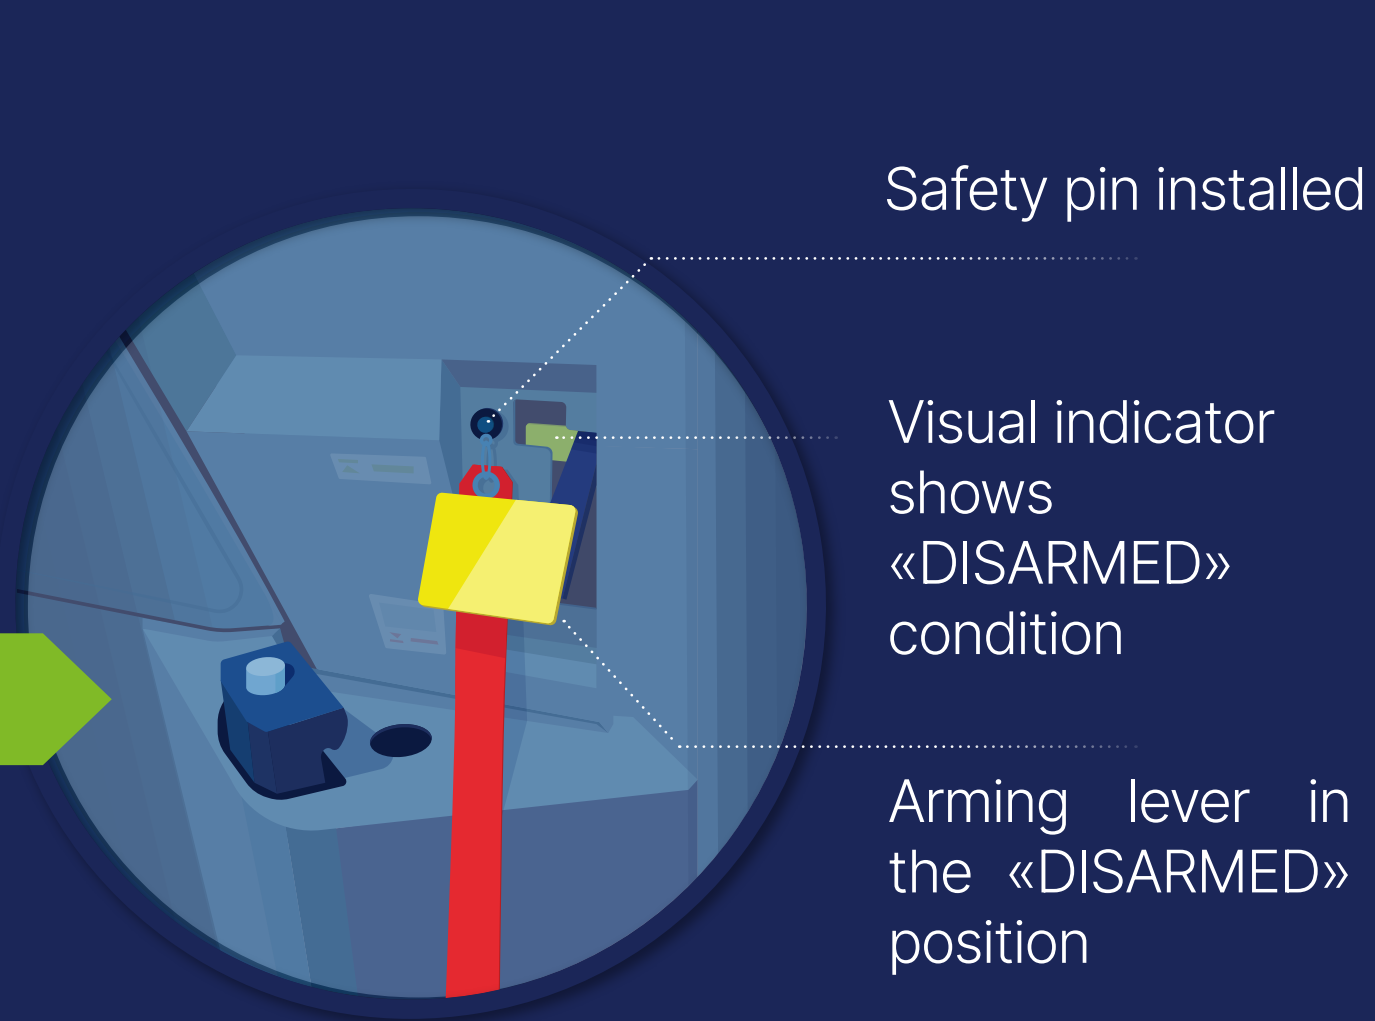

Figure: ARMED/DISARMED conditions for A320 Family cabin door

Use the PIN-LEVER-PIN model when disarming slides

- ✓ Remove the safety **PIN** from its stowage
- Place the arming **LEVER** in the disarmed position
- Install the safety **PIN** into the dedicated hole near the arming lever

! The safety pin prevents an inadvertent slide arming
