

# Maintain Attention, Resist Distractions

D10X

AIRBUS

At night, with reduced visibility in snow. Request start and push.

FLYBYNIGHT 123, pushback approved. Report ready for taxi. Please expedite. Your slot expires in 10 minutes.

Pushback approved, facing west, FLYBYNIGHT 123. Expediting.

Looks like we will miss the slot...

Ground from cockpit, pushback approved facing west.

Cockpit from ground, expect longer push due to the conditions.

Captain, the business class passenger's phone is finally recovered from under the seat! The cabin is ready now.

Ok, good! We are departing now.

We need to hurry up.

Cockpit from ground, disconnecting the towing truck.

FLYBYNIGHT 123, request taxi.

FLYBYNIGHT 123, you are cleared for taxi.
